

ANAGA'S PORTFÓLIO

Anaga Figueroa

Anaga studied photography which doubled up as both an academic achievement and her favorite hobby. In time, this inevitably lead to a professional interest which she grew by studying studio photography and the study of lighting. Her experience now includes Portrait photography, Nature shoots, Street and Studio varieties to name but a few. With passion follows growth and she will continue to expand her professional portfolio and expertise.

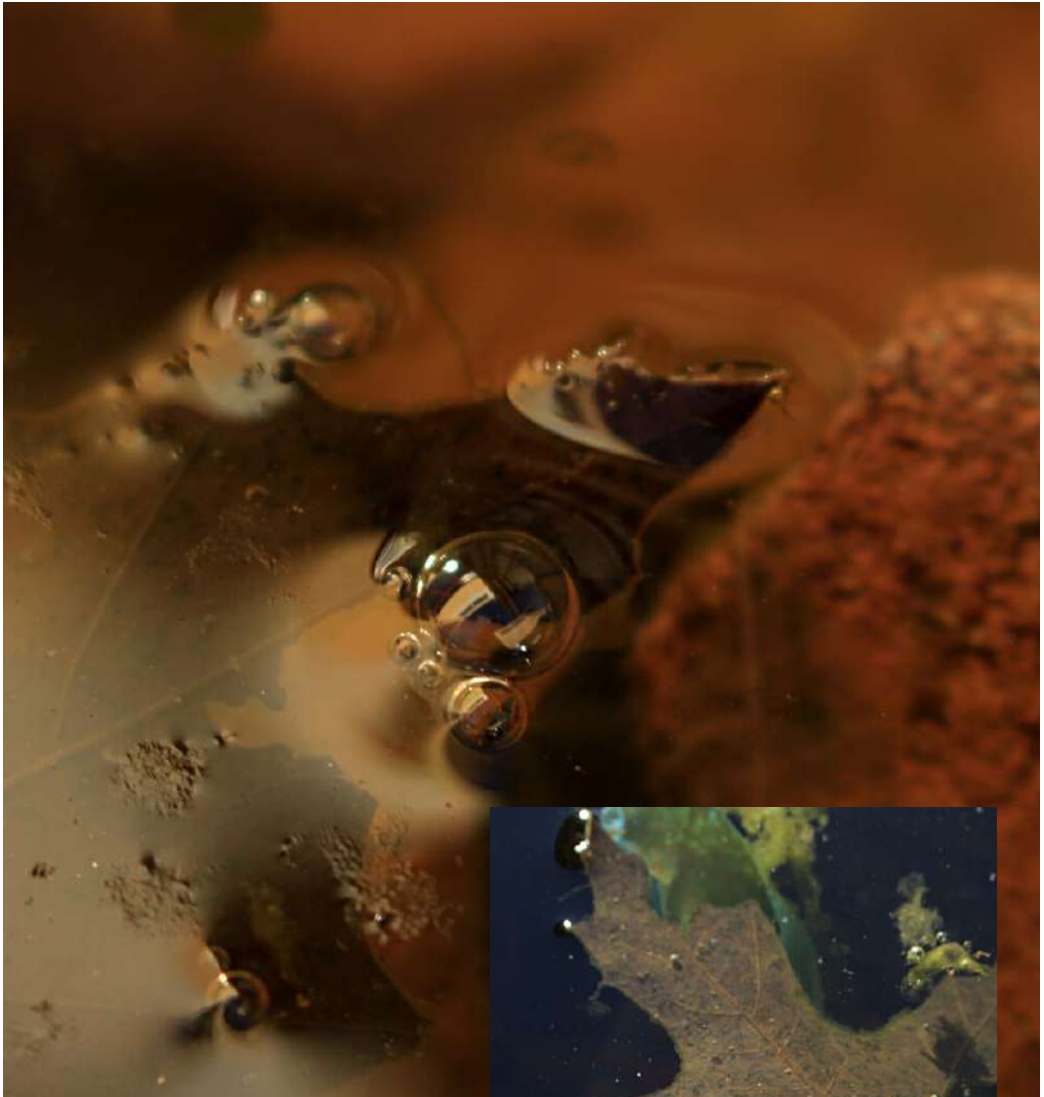

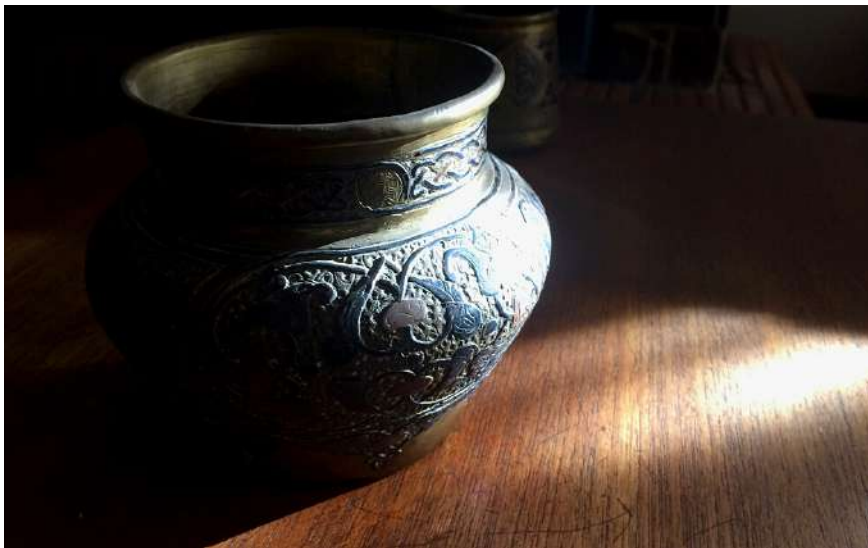

"What We Do in Life Echoes in Eternity"
